

Quotation for the Supply and Delivery of Mulch to the Afforestation Section of the Projects and Development Directorate – MGOZQ115/16

Clarification No 1.

Question:

With reference to the a.m. cft, can you please clarify if the Contracting Authority can consider to accept the mulch in standard size 25-40mm.

Answer

The particle size mentioned by the bidder (25mm – 40mm) is acceptable because it falls within the range (20mm – 45mm) found in Section 4 - Technical Specifications.
