QUOTATION FOR THE SALE AND REMOVAL OF 'TALE QUALE' ITEMS OF SCRAP METAL

Clarification No 1:

CLARIFICATION REQUESTS

Question 1: Can you clarify that the metal scrap are dismantled items, or they require to be dismantled /cut on site?

Answer 1: **The works shall include the extraction of metal from structures built from bricks, concrete or a related composition. However, the disposal of the construction materials to authorised sites shall be borne by the Contracting Authority as indicated in section 3 – Specification of the quotation document.**

Question 2: Can the economic operator provide skips or any other type of container for the scrap to be placed in?

Answer 2: **The Economic operator will make his own arrangement for the collection and transport of scrap metal.**

Question 3: Does the economic operator require to lift/carry the items from a specific area or multiple areas?

Answer 3: **The subject of this Call for Quotation is the sale and removal of 'tale quale' items for scrap metal (mixed metals mainly steel and iron), without warranty from the Gozo Civil Abattoir, Xewkija and any other sites as indicated by the Contracting Authority as indicated in section 3 – Specification of the quotation document.**

Question 4: Kindly give details what is being meant by the "extraction of the 'tale quale' material including the dismantling of concrete/brick structures" Does this mean demolition works are included?

Answer 4: **Prospective bidders are strongly encouraged to attend the site visit to understand properly the works to be carried out.**

All other quotation documents, conditions and requirements, which are not superseded by this

Clarification, remain in place.
