### **Clarification No 1 & 2**

QUOTATION FOR THE PROVISION OF ENVIRONMENTALLY FRIENDLY TRANSPORT SERVICES FOR THE UNIVERSITY OF 3<sup>RD</sup> AGE ELDERLY PERSONS TO THE GOZO CAMPUS XEWKIJA OR THE MINISTRY FOR GOZO

**Question 1:** Can you please confirm if vehicles EURO 6 are compliant with the required standard as requested in this tender for transport services? Please advise.

### **Answer:**

Euro 6 vehicles would be acceptable provided that they meet all specifications including those related to Green Public Procurement relating to the use of alternative fuels.

For further information alternative fuel is defined by SUBSIDIARY LEGISLATION 460.32 Alternative fuels order as follows:

"alternative fuel" means fuel or power sources which serve, at least partly, as a substitute for fossil oil sources in the energy supply to transport and which have the potential to contribute to its decarbonisation and enhance the environment performance of the transport sector, and includes:

- (a) electricity
- (b) hydrogen
- (c) liquid or gaseous biofuels derived from biomass
- (d) synthetic and paraffinic fuels
- (e) natural gas, including biomethane in gaseous form (compressed natural gas-CNG) and liquefied form (liquefied natural gas -LNG)
- (f) liquefied petroleum gas

All other tender documents, conditions and requirements, which are not superseded by this Clarification, remain in place.
