

## **MGOZ Q 21/2018 – Quotation for the Insurance Coverage for Easter Activities 2018**

### **Clarification No. 1**

#### **Question**

1. Type of activities to be held

#### **Answer**

This will consist of a children's event comprising several attractions mainly musical merry go round, bouncy castles, crafts, Easter egg hunts and cartoon characters. Each attraction will display a notice of ages by which children can participate and will also be supervised by the personnel of the company contracted to take care of these attractions.

#### **Question**

2. Estimated number of participants

#### **Answer**

Estimated number of participants is between 500\750.

#### **Question**

3. Will a Health and Safety Risk Assessment be carried out before the event itself?

#### **Answer**

No.

#### **Question**

4. Any safety measures to be implemented and adhered to? If so, please provide details

#### **Answer**

None.

#### **Question**

5. Past losses/injuries/damages sustained in previous events?

#### **Answer**

There weren't any past losses/injuries/damages sustained in previous events.
