

**Clarification Meeting / Site Visit in relation MGOZ Q 73/2018 - QUOTATION FOR THE HIRING AND INSTALLATION OF A PUBLIC ADDRESS (PA) SYSTEM AND LIGHTING DECORATIONS FOR MOTHER'S DAY EVENT AT VILLA RUNDLE IN VICTORIA, GOZO**

**Date:** 20/04/2017

**Place:** Villa Rundle

**Time:** 10:00 a.m.

**Scope of meeting:** The scope of the meeting was to act as a site visit/clarification meeting in relation to MGOZ Q 73/3018 – Quotation for the hiring and installation of a Public Address (PA) system and Lighting Decorations for Mother's Day event at Villa Rundle in Victoria, Gozo.

---

The following points were raised during the clarification meeting/site visit. Kindly find below issues raised and response:

- 1) Regarding the light festoon mentioned in Lot 2 c) it was highlighted that it is difficult to find the colours indicated, especially the purple and it was asked whether it's possible to change the colours.

**Response:** The colour output of the bulbs needs to remain as listed in the specifications.

- 2) Regarding the fairy lights wound in a double helix pattern around the light festoon mentioned in Lot 2 c), a question was put on what was the reason behind the request for this specific pattern around the light festoon.

**Response:** The reason why the Contracting Authority requested the double helix pattern around the light festoon, was for the festoon to appear "thick".

- 3) Regarding the light curtain mentioned in Lot 2 d) it was asked about the violet colour in the butterfly.

**Response:** It was clarified that it has to be filled with violet fairy lights or a shade very similar to violet.
