Tender for the supply and delivery of a new forklifter

Clarification No. 1

Reference is made to the above-tender, for which deadline for submission of offers is the 26th October 2018 at 09.30am.

Question 1: Please advise what Budget has been allocated for this CfQ.

Answer 1: Kindly note that this information cannot be made public. Tenderers are to submit their offer according to the specifications and conditions requested in the tender documents and publication on ePPS.

Question 2: In one instance the Documents state a Warranty of 2 years. Then there is a clause which says the Forklift must be guaranteed for 5 years.

Answer 2: As per Article 32 in Section 3 of the tender document, the warranty shall remain valid for a minimum period of two (2) years after provisional acceptance.

In this regard, the following clauses in the tender document should read as following:

Article 11, Clause 11.7 should read as:

'The Performance Guarantee shall be released within 30 days from Provisional Acceptance. 3% of the performance guarantee's value will be retained until the expiry of the 2 year warranty period.'

Section 4, Clause 5.4 should read as:

'The successful tenderer shall guarantee:

- *The complete vehicle, all parts (mechanical and electrical) and labour inclusive, for at least two (2) years from delivery.*
- *The availability of spare parts ex-stock for at least ten (10) years*
- *The under-sealing and rust-proofing treatment for at least ten (10) years from delivery.'*

All other tender documents, conditions and requirements, which are not superseded by this Clarification, remain in place.
