## **TENDER FOR THE CONSTRUCTION OF STORMWATER CULVERTS AND THE RECONSTRUCTION OF PART OF TRIQ SANNAT, XEWKIJA, GOZO**

### **Clarification No. 2**

Reference is made to the above tender, for which deadline for submission of offers is the 22<sup>nd</sup> August 2018 at 09.30am.

**Question 1:** Section 1 – Instructions to Tenderers mentions that “n. laying, compaction and finish of paving blocks and p. supply and lay/install traffic signs and road markings” as part of the scope of works but no relevant items are found within the BOQ. Please clarify.

**Answer 1:** **It is being confirmed that the works on paving blocks and the installation of traffic signs and road markings are not within the scope of this tender.**

**Question 2:** Kindly clearly indicate on a site plan the area/s to be resurfaced as well as location of storm water culverts; if location of storm water culverts lay within the area to be resurfaced kindly clarify why BOQ for storm water culverts allows for separate saw cutting and surface cold milling.

**Answer 2:** **Site plan attached (Site Plan Clarification 2). Separate saw cutting and surfacing milling for the stormwater culvert and surface colding milling are being included in case the trenching and laying of the stormwater culvert are phased out with respect to the other works.**

All other tender documents, conditions and requirements, which are not superseded by this Clarification, remain in place.
