**Question 1:** As per tender document/dossier it stipulates that a tenderer shall submit the two (2) following documents: "Energy Efficiency Form" and "Minimum Hourly Workers' Cost Declaration" as per clauses 7(a)(vi) and 7(a)(iv) respectively of Section 1 - Instructions to Tenderers.

The above mentioned docs are not available as part of the downloadable forms. Kindly provide such forms if these are still being requested. Hence if such forms are not provided is it to be understood that these are no longer requested?

**Answer 1:** It is being confirmed that as per Clauses 7(a)(iv) and 7(a)(vi) of Section 1 – Instructions to Tenderers, both the *Minimum Hourly Workers' Cost Declaration* and the *Energy Efficiency Form* are to be submitted at tendering stage. Kindly note that the above mentioned forms have been added and can be found in the documents section of this call for tenders on ePPS.

All other tender documents, conditions and requirements, which are not superseded by this Clarification, remain in place.
