Clarification No. 1

Clarification Request

Question 1: Is there a minimum amount for the orders set?

Answer 1: The quantities shown in Section 3 of the tender document and in the Financial Bid Form are the indicative quantities required over a period of 2 years. However, as stated in Article 19.1 of Section 2, the Contracting Authority *'reserves the right not to place any orders for the supplies indicated in this tender over the period of this agreement and the Contracting Authority would not, by doing so, be held liable to damages or other costs whatsoever.'* Accordingly, there is no minimum amount for the orders set.

All other tender documents, conditions and requirements, which are not superseded by this Clarification, remain in place.
