Tender in lots for the supply and delivery of veterinary medicine for the Animal Welfare Unit within the EcoGozo Directorate – Tender 2.

Clarification No. 3

CLARIFICATION REQUEST

Question 1: In view of your reply regarding clarification on Lot 9 - items 1-3, as you suggested we will bid for the number of tablets requested even:

1. If this will put our quotation out of budget
2. If the number of tablets requested were intended to cover 2 years with a once-monthly application, the quantity we will bid for will cover 6 years!

We trust that these points will be taken into consideration during the evaluation phase and the necessary financial adjustments are made to reflect the 1:3 equivalence.

A specific declaration about this will be uploaded with the technical documents.

Answer 1: Bidders are requested to bid for the quantities shown in the Financial Offer Form and submit the literature requested in the Literature List Form with the specifications of the items they are offering. Moreover, in line to clause 6.1 of the Instructions to Tenderers, Criteria for Award, the sole award criterion will be the price. The contract will be awarded to the tenderer submitting the cheapest priced offer satisfying the administrative and technical criteria.

All other tender documents, conditions and requirements, which are not superseded by this Clarification, remain in place.
