### **Clarification No. 1**

Reference is made to the above-tender, for which deadline for submission of offers is the 16<sup>th</sup> January 2020 at 09.30am.

Q1 Are permits to setup in the venue already I hand or also these the responsibility of the contractor?

A1 Permits to set-up at Villa Rundle are not required as the venue is MGOZ's property

Clarifications for Lot 2:

Q2 Is there a specific material for the production of the clown face? Does the clown need to be see through or can the material be opaque?

A2 In line with the tender specifications, the clown face is to be made out of lights

Q3 It is requested that the border-lines of the clown face will be constructed of rope light with the same colour of the adjacent area. This will create a thick border due to having to use 2 different rope light for different colours for the internal border. Can you confirm this?

A3 As long as the shape is defined one border line will suffice.

All other terms and conditions remains the same.

Unless otherwise instructed by the Contracting Authority, ALL other terms and conditions within the Tender Dossier and/or published sets of clarifications remain valid and unaltered.
