Tender in lots for the supply and delivery of veterinary medicine for the Animal Welfare Unit within the EcoGozo Directorate – Tender 2.

Clarification No. 1

CLARIFICATION REQUEST

Question 1: I cannot seem to find the specifications of the various lots. On the system you see 33651690-Vaccines for veterinary medicine and there are ten lots, but which vaccines are specifically required and in which quantities?

Answer 1: Details including specifications on which items are required can be found in Section 3 of the tender document. The tender document along with all other relevant documents has been uploaded in the Documents section of this Call for Tenders on the system (ePPS).

All other tender documents, conditions and requirements, which are not superseded by this Clarification, remain in place.
