## Clarification request

---

**Question 1:** Can you please confirm that the estimated procurement value, as shown in section 1.3, is €100k? If there is an error, can you please indicate correct value?

**Answer 1:** It is being confirmed that as per Section 1, Clause 1.3, the estimated procurement value is €100,000.00 excluding VAT.

However, it is to be noted, that the indicative quantity required is 200, and not 500 as erroneously shown in the published Financial Bid Form.

Therefore, bidders are to make sure that they use the corrected Financial Bid Form uploaded today 6<sup>th</sup> November 2020, and ignore the previously published one.
