Clarification No. 2

Site visit minutes

Hereunder please find minutes taken during the site visit which was held on Monday 23rd January 2023 at 11.00 am at the Gozo Government Experimental Farm.

After a brief introduction, the architect in charge showed those present the existing building on which works were to be carried out as well as the structure's condition and the locations of the works scheduled in the Bills of Quantities.

Works were deemed to be straight forward and no formal clarifications were asked for during the meeting.

Bidders were reminded that clarifications may be made through a clarification request on the ePPS.

All other tender documents, conditions and requirements, which are not superseded by this Clarification, remain in place.
