Clarifications

Question 1: Reference is made to the ePPS tender response format 'Selection Criteria' tab, where bidder is being asked to submit the 'Activity of the Economic Operator' and 'Specific Amount'. Kindly clarify what needs to be submitted exactly. Thanks in advance.

Answer 1: Bidder is being requested to submit a:

- List of principal work being road works and/or projects of a similar nature. Bidder is to state the value of works of a similar nature as described above effected during the last 3 years (being 2018-2020): the minimum value of which must not be less than €200,000 in total for the quoted period.

In so listing the end clients, the tenderer is giving his consent to the Evaluation Committee, so that the latter may, if it deems necessary, contact the relevant clients, with a view to obtain from them an opinion on the works provided to them, by the tenderer. The Evaluation Committee reserves the right to request additional documentation in respect of the deliveries listed.

All other tender documents, conditions and requirements, which are not superseded by this Clarification, remain in place.
