Clarification

Reference is being made to the published Financial Bid Form.

It is being clarified that for Items 1.1, 1.2, 1.3, 1.4, 1.5 and 1.9 of the financial bid form, the prices are to reflect the supply and delivery of concrete to site as requested by the Contracting Authority.

On the other hand, with reference to Item 1.8, the price is to cover the supply, delivery and the laying of Cast in situ Pattern Imprinted Concrete on site as requested by the Contracting Authority.

Moreover, it is also being clarified that the last item in the Financial Bid Form should be numbered as 1.10 (and not 1.9 as erroneously numbered in the published Financial Bid Form).

All other tender documents, conditions and requirements, which are not superseded by this Clarification, remain in place.
