

TENDERER'S TECHNICAL OFFER

Where in this tender document a standard is quoted, it is to be understood that the Contracting Authority will accept equivalent standards. However, it will be the responsibility of the respective bidders to prove that the standards they quoted are equivalent to the standards requested by the Contracting Authority.

A technical offer is to be provided by the Economic Operator in response to Technical Specifications. The submission shall be in a structured form and is to be in the same sequence as listed hereunder for ease of reference and evaluation.

The Technical Offer shall constitute a Declaration by bidder as per template in the Technical Offer Form hereunder together with the following ^(Note 3):

- (a) Technical Questionnaire in the Technical Offer form as included hereunder;
- (b) An indicative Programme of Works in relation to this tender. This shall incorporate works, completion, commissioning and hand over of the works, and including details such as but not limited to:
 - i. Traffic Management
 - ii. Phasing of works
 - iii. Projected Milestones for completion of each Phase
 - iv. Target Project Completion
 - v. Testing Schedule
 - vi. Non Conformity Reports and Procedures
- (c) A Graphic Work Schedule (Gantt Chart) in relation to the 4-month period allowed as Execution of the Contract under Article 32 of the Special Conditions as per Graphics Work Schedule Form provided. The Gantt Chart shall be in the form of a Bar Graph indicating the works week by week and incorporating the following activities;
 - i. Order of Material
 - ii. Mobilisation
 - iii. Preparatory works
 - iv. Works
 - v. Snags
 - vi. Handover of Completed Project
- (d) A Detailed Traffic Management Plan including the provisions for the smooth running of vehicular traffic and public transport. Also, to include provisional access for football ground, nearby catering establishment and access for farmers to the adjacent fields.

(e) A detailed Testing Schedule in line to the details in the terms of reference [Appendix 1/5] including the identification of an Independent Testing Company. Details to include:

- i. Overall Tests to be made
- ii. Frequency of Tests
- iii. Specific tests to be made on Type 1/Type 1D/ Base Course/ Binder Course/Wearing Course
- iv. Specific tests on strength of Paving Blocks
- v. Non-Conformity Procedures

(f) Tenderer's Technical Offer's Declaration using the "Technical Offer Declaration Form" declaring that tenderer will comply with all the terms and conditions of the tender document.

TECHNICAL OFFER DECLARATION FORM (Note 3)

I/we hereby confirm that, our Company shall adhere to all requirements as stated under (i) SECTION 4 – TECHNICAL SPECIFICATIONS, (ii) SECTION 3 – SPECIAL CONDITIONS as stipulated in the Tender document and (iii) any published clarifications and/or addenda.
